

The annual Best of *Boston Home*® event is a chic celebration of great design, and the businesses and smart people that stand behind it. In conjunction with the winter issue, this invitation-only event brings together more than 300 of the city's best.

Sponsorship opportunities capitalize on this highly-coveted brand through several benefits including, but not limited to, in-book exposure, online visibility, on-site displays, and product sampling. Not to mention it's a unique opportunity to get in front of the city's most discerning taste makers who support the luxury lifestyle. The event will take place in early December in the Innovation and Design Building.
